Dear sir,

This letter is to express my interest in the job posted on your website for an experienced, detailed-oriented, front-end web developer. As you'll see, I have one year of hands-on experience efficiently coding websites and applications using modern HTML, CSS, and JavaScript.

Building state-of-the-art, easy-to-use, user-friendly websites and applications is truly a passion of mine and I am confident I would be an excellent addition to your organization. In addition to my knowledge base, I actively seek out new technologies and stay up-to-date on industry trends and advancements. This has allowed me to stay ahead of the curve and deliver exceptional work to all of my employers, including those I've worked for on a project basis. I've attached a copy of my resume detailing my experience, along with links to websites.

I can be reached anytime via my phone number, 01706031682, or by email at owahedhossain@gmail.com.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Sincerely,

Owahed Hossain
